

# Granite Quarry Fire Department

Established 1950

December 13, 2021

Granite Quarry Citizens,

I wanted to give you an update on the burn ban that has been in place. Effective today 12/13/21 at 12pm the burn ban has been released from Rowan County. With the release of this ban, citizens can now use the small fire pits within town guidelines. Granite Quarry has and will continue to ban any other type fires. If you need leaf or limb pickup, please refer to the Public Works Department on our website.

Thanks again for your attention to the matter,

Chief Hord

Granite Quarry Fire Department
