Mr. Flowe responded that the ordinance was set up so that the rights and responsibilities would go with the property. The Development Agreement concerns the general infrastructure and not the individual lots. Council Member Luhrs asked about enforcement of the agreement. Mr. Flowe stated that the ordinance allowed the Planning, Zoning, and Subdivision Administrator to actively monitor the agreement and report to the Council every year regarding any compliance issues. Attorney Moretz stated the agreement would be filed with the Rowan County Register of Deeds and would last for ten years.

ACTION: Council Member Shelton made a motion to adopt Ordinance DA 2025-12-08 to approve the Development Agreement for Kind Estates as presented. Council Member Mack seconded the motion. The motion passed 4-0.

12. Public Hearing

ZMA Osterhus

A. Staff Summary

Mr. Flowe introduced the Zoning Map Amendment request for property located at 0 Dunns Mountain Rd (Parcel 609 135), to change the current designation of "Industrial (IND) Zoning District" to "Agricultural (AG) Zoning District". Mr. Flowe stated the change would be consistent with the remainder of the owner's property and in alignment with the Comprehensive Land Use Plan. The current Industrial zoning does not allow for new residential structures.

B. Public Hearing

- 1) Opened: Mayor Barnhardt opened the public hearing at 7:03 p.m.
 - Calvin Anderson, 910 Dunns Mountain Road – spoke in opposition of the zoning map amendment.
 - Michelle Reid, 298 Irby Lane – had questions about which portion of the property was currently zoned Industrial and what uses were allowed within the Agricultural district.
 - Steven Murphy, 1204 Edgewater Court – stated he intends to purchase one of the two new lots and build a single-family home. He spoke in favor of the rezoning.
 - Elia Gegorek, Real Estate agent – stated her client plans to purchase the other lot and build a single-family home. She spoke in favor of the rezoning.
 - Mayor Barnhardt allowed Mr. Anderson to make additional comments regarding his vested interest in what type of project went on the property.
- 2) Closed: Mayor Barnhardt closed the public hearing at 7:14 p.m.

C. Council Discussion and Decision

Mayor Barnhardt recognized Mr. Flowe to answer questions regarding the history of the zoning on the property. Mr. Flowe stated the zoning went back more than 30 years and that he could only speculate on why it was zoned the way it was. Mayor Barnhardt stated that the Council appreciated the engagement from members of the public and that a property owner does have rights concerning the use of their property. Council Member Shelton stated that the downzoning from “Industrial” to “Agricultural” would offer the best protections for the surrounding properties. Mayor Pro Tem Linker stated that his educated guess was that 30 years ago the property was zoned “Industrial” without a clear plan for how the Town would grow. Council Member Luhrs stated that the downzoning protected the property and ensured there would be a large lot for a house with adequate setbacks.

ACTION: Mayor Pro Tem Linker made a motion to adopt Ordinance ZMA-2025-12-08 to amend the Official Zoning Map. Council Member Mack seconded the motion. The motion passed 4-0.

**An Ordinance Adopting a Development Agreement Between the Town of
Granite Quarry and
S&M Finance Group, LLC, a North Carolina Chartered Limited Liability
Company.**

Ordinance #DA 2025-12-08

Be It Resolved Therefore that:

A. The Town of Granite Quarry, in accordance with Article 10 of G.S. 160D finds that:

1. Large-scale development projects often occur in multiple phases extending over a period of years, requiring a long-term commitment of both public and private resources.
2. Such large-scale developments often create potential community impacts and potential opportunities that are difficult or impossible to accommodate within traditional zoning processes.
3. Because of their scale and duration, such large-scale projects often require careful integration between public capital facilities planning, finance, and construction schedules and the phasing of the private development.
4. Because of their scale and duration, such large-scale projects involve substantial commitments of private capital by developers, which developers are usually unwilling to risk without sufficient assurances that the development standards will remain stable through the extended period of the development.
5. Because of their size and duration, such developments often permit communities and developers to experiment with different or non-traditional types of development concepts and standards, while still managing impacts on the surrounding areas.
6. To better structure and manage development approvals for such large-scale developments and ensure their proper integration into local capital facilities programs, local governments need the flexibility in negotiating such developments.

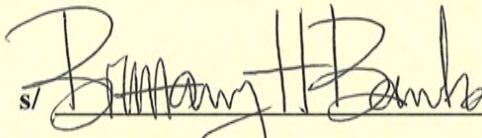

B. The Town of Granite Quarry enters into this Agreement subject to the procedures and requirements of G.S. 160D-1001 – 160D-1012. In entering this agreement, the Town acknowledges it may not exercise any authority or make any commitment not authorized by general or local act and may not impose any tax or fee not authorized by otherwise applicable law.

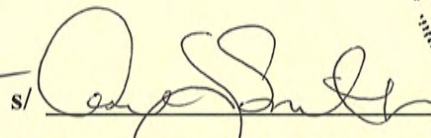

C. The Town of Granite Quarry acknowledges that the authority to adopt this Agreement is supplemental to the powers conferred upon local governments and does not preclude or supersede rights and obligations established pursuant to other law regarding building permits, site-specific development plans, phased development plans, or other provisions of law.

NOW THEREFORE BE IT ORDAINED that the Town Council of the Town of Granite Quarry does hereby adopt the attached Development Agreement between the Town of Granite Quarry and **S&M Finance Group, LLC**, a North Carolina Chartered Limited Liability Company.

This Development Agreement is approved and to become effective upon execution thereof as authorized by this Ordinance.

ADOPTED on this the 8th day of December 2025.

**AN ORDINANCE AMENDING THE
GRANITE QUARRY DEVELOPMENT ORDINANCE
OF THE TOWN OF GRANITE QUARRY, NORTH CAROLINA**

Ordinance #ZMA-2025-12-08

BE IT ORDAINED by the Mayor and Town Council of the Town of Granite Quarry, North Carolina that the Official Zoning Map (OZM) of the Granite Quarry Development Ordinance (GQDO) be amended in accordance with both GQDO Article 5 and Article 6 of G.S. Chapter 160D. The subject property of G Kenneth and Cynthia Osterhus described as Rowan County Parcel located at 0 Dunns Mountain Rd (Parcel 609 135) appearing in a location map from Rowan County GIS shown in Attachment “A” and in a recorded plat as shown in Attachment “B” attached hereto. Said parcel consists of approximately 27.35 net acres.

Part 1. Consistency with Adopted Comprehensive Plan.

The Town Council finds that a zoning map amendment applicable to the subject property, from Granite Quarry “Industrial (IND) Zoning District” establishing a new zoning designation in accordance with procedures established by G.S. 160D-604(b) of “Agriculture (AG) Zoning District” is generally consistent with the Town’s 2040 Comprehensive Land Use & Master Plan (the Plan). This change aligns with the “Rural” designation shown on the Plan’s “Future Land Use Map” for both the surrounding parcels and the remainder of the subject property, as required by G.S. 160D-605(a).

Part 2. Statement of Reasonableness.

This amendment is reasonable because the existing industrial classification is no longer appropriate for the subject property. The lack of public water and sewer restricts development to low-density land uses. These Findings support the requirements of G.S. 160D-605(b).

Part 3. Establishment of New Zoning Designation.

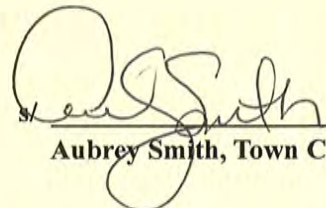

That Rowan County Parcel ID 609 135 as shown in Attachments “A” and “B”, attached hereto shall be designated “Agriculture (AG) District” on the Official Zoning Map.

Part 4. Effective Date.

This Ordinance shall be effective at 12:01 AM on the 9th day of December 2025.

Adopted this 8th day of December 2025.
